

Short Game Schools

100 yards and in

Call (760) 438-4539 or email: kipputt@aol.com to get started.

The Short Game school is designed for the student interested in lowering their scores through concentrated effort on the short game. This school specializes in all areas of the short game from 100 yds and in. This includes shots of various trajectories (high, medium and low) and how to control your distance. This will include shots from just off the green, chips and concentrated time on putting and sand play.
