

The Junior Golf Camp held at the Park Hyatt  
Aviara Resort

Kip Puterbaugh's Aviara Golf Academy is the premier golf school in Southern California and the longest running golf school in the Western United States with a staff that has over 100 total years of teaching experience.

The Kip Puterbaugh Aviara Golf Academy opened in 1991 at the Arnold Palmer designed Aviara Resort Course in Carlsbad, CA, just 30 minutes north of downtown San Diego. The experience, dedication and longevity of his talented staff of 5 full time Master Instructors is unparalleled in the golf industry. Kip began teaching in 1972 and joined by Wayne Searle they opened the Academy in 1991. Master Instructors Ken Green joined in 1994, Bruce Nakamura in 1995, Bob Knee in 1997 and Grant Halverson in 1999. Working together through the years they have developed a curriculum that will give the golfer of any skill level the best chance to improve their game.

Golf Digest has honored our staff with their survey of the Top Teachers in California by placing 5 of our teachers in the top 26 of the state. We are one of only three schools worldwide graded by Golf Magazine at a Gold Medallion resort that has a Top 100 Teacher and a Top 25 Golf School.

*Practice Facility*

The Aviara practice facility features all grass tees, covered stalls, and the latest swing analysis technology with dedicated chipping and putting areas.

*Aviara Golf Course*

Named by Golf Digest and Golf Magazine as one of the best resort golf courses in America and was rated the #1 golf resort in Southern California by the readers of Condé Nast Traveler. The Aviara Golf Club overlooks the beautiful Batiquitos Lagoon ecological reserve and is the only San Diego golf course designed by Arnold Palmer. It features a memorable coastal layout: par 72, 18 holes over 7,007 yards uniquely sculpted around rolling hillsides, native wildflowers, and plenty of bunker and water challenges. Campers will enjoy 2-days of play on the Aviara Golf Course.

*Encinitas Golf Course*

Encinitas Ranch Golf Course offers 18-Holes of Championship Golf in a unique setting carved from a magnificent sweep of bluffs overlooking the Pacific Ocean. This course was designed by architect Cary Bickler to welcome golfers with wide, forgiving fairways on the front nine before sending them to a back nine that requires more precise tee shots for lower scores. Campers will enjoy 1 or 2 days of play depending on the camp.
